While a movie's production budget does not include promotional costs, it's still worth noting how much promotion costs. Not only are promotional costs staggering, they can make or break a movie's box office gross, and are a huge part of deciding whether or not a movie is a flop or a hit when these costs are factored in.

## **How Much Does it Really Cost to Make a Movie? | Work + Money**

The toughest part of making a movie is getting started. Many would-be filmmakers sit around all year waiting for everything to be perfect. Not you. The sooner you realize your movie will never be perfect the better. This frees you up to get started on an idea (any idea) and start making a movie.
