UK Commercial - 2019 UK Hotel Investment

Transaction volumes increased 252% to total £66bn in 2018 supported by continued overseas investor appetite This is likely to continue over 2019, particularly for its tourist markets, as whether the UK is in the EU or not will do little to dent its appeal to international tourists Structural shifts in consumer spending, with a shift

Volumes, concentrations and maturity horizons

9 Whilst the absolute volumes of converted residential interest only mortgages are falling (19% reduction year-on-year to December 2011) the proportion they form of all residential mortgages is not reducing overall Figure 2: Percentage interest only mortgages, by volume and value, of all residential mortgages trend (Source: Experian)

breakfast

comfort, with a little bit of style! This recipe will feed four, but if you are planning on a busy day of hiking, or are up late and making this meal as brunch, you might want to double up the recipe or share between two I can just about make it to the end of the second burrito, and it sets me up for the whole day! Easy Peasy Breakfast Burritos

Housing market activity set to weaken again next year

2008 Such high house prices are shutting more and more people out from accessing the market, and forcing others to save longer for a deposit Even for those who could in theory afford to buy, current prices may still be off-putting Unfortunately, there is little reason to anticipate a material improvement in affordability next year either
